Guinea-Bissau 9-Day Carnival Trip 2027 (February 1st to 9th, 2027)

Itinerary:

Day 1: (Monday, February 1st, 2027) Country of origin – Bissau

Flight to Bissau. Arrival at Osvaldo Vieira International Airport, transfer to the Azalai Hotel in the heart of Bissau. Overnight stay.

Day 2: (Tuesday, February 2nd, 2027) Bissau – Bolama – Bubaque Island (Bijagós)

Breakfast and morning departure by speedboat to Bolama, which was the capital of Portuguese Guinea until 1936. Its buildings are constructed in a beautiful colonial style, giving it the appearance of a city frozen in time. Silently, the indigenous population has taken over the old, abandoned colonial buildings. The surreal atmosphere of this "forgotten city" becomes even more intense at sunset: thousands of oil lamps barely illuminate these places, hidden among the tropical vegetation. After the visit, we continue to Bubaque. Arrival in Bubaque. Accommodation at Hotel Casa Africa and overnight stay.

Day 3: (Wednesday, February 3, 2027) Bubaque Island – Ambuduco – Orango

Breakfast, departure. In the morning, depending on the tides, we will accompany the Bijagó women in their traditional shellfish gathering. Visit. Hike to visit the oldest tabanka (traditional lodge) in the national park. We walk along a dry riverbed and through mangroves with their high roots exposed. A large palm grove announces our arrival at the sacred tabanka of Ambuduco, one of the most important on the island. Here we can appreciate the traditional architecture of the Bijagó people and the way of life of its inhabitants. After the visit, we will depart for Orango to visit the hippos. The walk to find the hippos will take about an hour. After the visit, we will return to Bubaque and spend the night at Casa Africa Hotel.

Day 4: (Thursday, February 4, 2027) Bubaque Island – Soga – Bubaque
